

Innovation Comes Standard

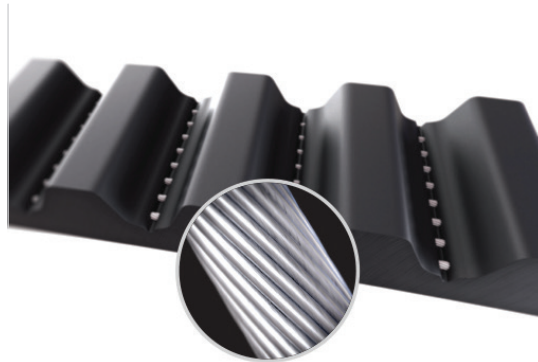

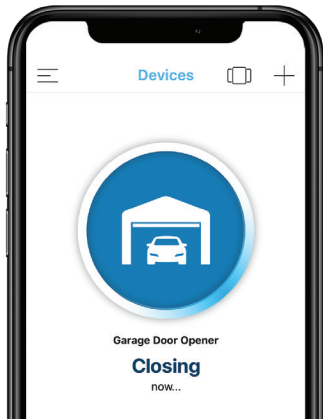

The Chamberlain B373 is an ultra-dependable garage door opener that offers medium lift power (1/2 HP) for standard aluminum doors. Its extra-strong belt drive system is virtually silent, leaving your home living spaces undisturbed. It includes integrated Battery Backup to allow entry and exit through the garage even when the power is out, and is equipped with built-in Wi-Fi® so you can monitor and control the garage from your smartphone's myQ® App. You can also enable secure in-garage delivery for Amazon Prime packages*.

Download the FREE myQ® App

*Key for Garage is available in select areas. Visit myQ.com for details.

myQ® Smartphone Control
